2024 SEASON RECAP

July 29, 2024 marked the official opening of the golf course, and we were thrilled to welcome back all of our patrons. The season started off great and we are happy to report an outstanding opening season. This season saw nearly 7000 rounds played and approximately 100 season passes sold. We look forward to the 2025 season and anticipate a record year. We will introduce new season pass packages after the New Year.

The golf course's last day for 2024 was Sunday, October 20. During the offseason our staff will be working on a variety of projects and enhancements to make your experience even better. The Restaurant will remain open in the off season, Wednesday thru Sunday for all your dining and entertainment needs. To reach the restaurant call 701-677-3663 or you can visit their webpage on the Pheasant Country Golf Course website for hours and other important information. The Pro Shop will also be available by appointment as well as running sales for the holidays. The Pro Shop will offer select hours for you to come out to purchase gift cards or other merchandise for Christmas. You can reach the Pro Shop by calling 701-677-4653 and leave a message, they will return your call. The hours will also be listed on the website.

Thank you for your patience and support throughout our renovation. It's wonderful to be open and we are excited to be able to offer an unparalleled golfing experience to our guests.

2024 UPDATES

As we finish the final touches on the renovation project, Pheasant Country Golf Course will continue to make a variety of enhancements and improvements to keep the course in the best shape for our patrons.

Here are a number of the enhancements we have made to the course:

- Carts equipped with GPS
- On-course bathrooms
- State of the art irrigation and sprinkler system
- 5 Bridges
- 39 bunkers
- 5 miles of concrete cart path
- Stop & Go food stand

Projects we are working on for the 2025 season include:

- Nursery green
- Short practice green
- Driving range fence
- Front entrance
- Parking lot paving

Our goal is to continue to provide our patrons up to date, state of the art facilities that will elevate your golfing experience. Stop and check the new improvements and see for yourself, you won't be disappointed.

A MESSAGE FROM THE SUPERINTENDENT

I'm Lance Walvente, the new Golf Course Superintendent at Pheasant Country Golf Course. I'm originally from Fergus Falls, MN and I'm excited to be here and looking forward to continue to use my expertise to elevate the facility to ensure the course operates under the most optimal conditions and upholding the pristine conditions for our members and guests. With a background spanning over 20 years in the golf business, I intend to maintain the course in the best shape for our members. My family and I are excited to be a part of the community and are looking forward to being an integral part of this community and building relationships with you.

The work that has been done here to restore this course is incredible. Hats off to all of those that are involved. I am excited to be a part of this golf course and will put my efforts toward maintaining this golf course at its highest level. I look forward to working with the maintenance staff again this next season. We are building a culture that is shooting for excellence. I believe that this golf course can look to be the best kept golf course in North Dakota.

I look forward to meeting everyone and answering any questions or concerns you have about the golf course. Please feel free to reach out to me or stop me on the course. Thank you for your support and patience in this process as we continue to keep Pheasant Country Golf Course in great shape.

PHESANT COUNTRY YOUTH GOLF

Golf is a sport that offers numerous benefits for everyone. Golf is not just a game, it requires precision, patience, concentration and also builds confidence. At Pheasant Country Golf Course, youth are an essential part of our future. Our goal is to introduce the game of golf to youth to help them develop a solid base for future growth. We want to start early to help youth establish strong fundamental skills that will take them through life.

Each summer, we hold youth golf clinics for over 200 kids between the ages of 6 and 17. Our clinics are a perfect opportunity for junior golfers to learn new skills, make friends, and have a blast on the course. Our coaches are dedicated to helping young golfers develop their game in a fun and supportive environment. Golf helps build self-confidence which can lead to being more active in school and the community as well as a potential for college scholarships.

Pheasant Country Golf Course is also the home course of the Heart River Cougars Boys and Girls Golf Teams. High school golf started in 1999 and since then, the program has grown at high levels and its success speaks for itself with its many achievements. The high school boys and girls golf program has produced numerous wins, all state golfers, yearly trips to the state tournament taking home 2 state titles and state individual state champions. Its success is an indication golf is a growing sport steadily on the rise.

Youth golf is integral to Pheasant Country Golf Course identity and we are dedicated to continue to help our youth develop a passion for the sport which creates enthusiasm for the game.
